

## Find out more about our Symposium IV contributors

June 18, 2022

Some viewers of our recent symposium have asked where they can find out more about the work of the many great speakers who joined us for our recent Symposium IV “Freedom is the Cure.” Here is the list of speakers’ short biographies from the program, augmented as far as available with links to their homepages or other relevant websites.

**Dr. Silvia Behrendt** is currently director of the Global Health Responsibility Agency (GHRA), Salzburg, Austria; former legal consultant to IHR Secretariat at WHO. As the founder and director of the Agency Dr. Behrendt’s research focus is to bring responsibility and accountability back to decisions of public health in the national and international settings, through legal analysis and legislative proposals for the benefit of the human person.

You can follow Silvia’s work at <http://www.ghr.agency/>.

**Prof. Sucharit Bhakdi, MD** is Professor Emeritus of Medical Microbiology and Immunology, Former Chair, Institute of Medical Microbiology and Hygiene, Johannes Gutenberg University of Mainz.

Dr. Bhakdi’s contributions can be found at <https://www.mwgfd.de/> and at <https://d4ce.org>. His book “Corona, False Alarm?”, co-authored with his wife Karina Reiss, is sold by Chelsea Green Publishing: <https://www.chelseagreen.com/product/corona-false-alarm/>.

**Dr. Thomas Binder, MD** is specialised in Cardiology and Internal Medicine, with a thesis in Immunology and Virology, and 32 years experience in diagnosis and treatment of Acute Respiratory Illness.

Thomas’ homepage is <https://www.thomasbinder.ch/>.

**Dr. Peter R. Breggin, MD** is a Harvard-trained psychiatrist. He is known as “The Conscience of Psychiatry” for his criticism of biological psychiatry. He has taught at several universities, including Johns Hopkins, George Mason, the University of Maryland, and the Washington School of Psychiatry. He is the author of more than 20 medical and scientific texts. His latest book COVID-19 and the Global Predators: We Are the Prey, was co-authored with his wife Ginger and published in September, 2021. The book has more than 1,000 references and 651 pages. It concludes with chapters about what must done to stop this avalanche of totalitarianism disguised as public health measures to manage COVID-19.

The book can be found at <https://www.wearetheprey.com/>. For Dr. Breggin’s other writings, visit <https://breggin.com/>.

**Catherine Austin Fitts** is the president of Solari, Inc., publisher of the Solari Report, and managing member of Solari Investment Advisory Services, LLC. Catherine served as managing director and member of the board of directors of the Wall Street investment bank Dillon, Read & Co. Inc., as Assistant Secretary of Housing and Federal Housing Commissioner at the United States Department of Housing and Urban Development in the first Bush Administration, and was the president of Hamilton Securities

Group, Inc. Catherine has designed and closed over \$25 billion of transactions and investments to-date and has led portfolio and investment strategy for \$300 billion of financial assets and liabilities. She graduated from the University of Pennsylvania (BA), the Wharton School (MBA) and studied Mandarin Chinese at the Chinese University of Hong Kong.

You can find Catherine's writings at <https://home.solari.com/>.

**Mary Holland** is the president of Children's Health Defense and Director of the Graduate Lawyering Program at NYU School of Law. She has written several law review articles and blog posts on vaccine law and policy and is the co-author and coeditor of the books "Vaccine Epidemic" and "HPV Vaccine on Trial: Seeking Justice for a Generation Betrayed." She has testified to retain or expand vaccination exemptions in the California, West Virginia, Maine and Vermont legislatures and has appeared in several documentaries and programs on vaccine issues. Mary is chair of the advisory board of Health Choice and a member of the advisory boards for the Elizabeth Birt Center for Autism Law and Advocacy, the Otto Specht School and Actionplay. Educated at Harvard and Columbia Universities, Mary has worked in international public and private law. Prior to joining NYU, she worked at major U.S. law firms, with three years based in Moscow, Russia. She also worked at a U.S. human rights organization as Director of its European Program. She has taught courses at Columbia Law School and has served as a consultant to the Aspen Institute Justice and Society Program.

You can follow Mary's work at <https://childrenshealthdefense.org/>.

**Renate Holzeisen** is a European Human Rights lawyer based in South Tyrol who is fighting the Corona measures legally. She contends that any newly developed vaccine cannot be made mandatory using the rationale that was used for their approval. She is also a Barrister practicing before the Supreme Courts and is specialized in European and International Law. She is a fundamental force in cases at the European and national level by unifying, sharing and coordinating initiatives. She is actively engaged in issues regarding Fundamental Rights and Freedoms.

You can find out more about Renate's work at <https://www.renate-holzeisen.eu/it/home-it/> (website in German and Italian) and on her Telegram channel <https://t.me/renateholzeisen>.

**Dr. Brian Hooker, PhD, PE** is an Associate Professor of Biology at Simpson University in Redding California where he specializes in microbiology and biotechnology. Brian Hooker is the co-inventor for five patents, and recipient of the Battelle Entrepreneurial Award in 2001. The breadth of Hooker's over 60 science and engineering papers have been published in internationally recognized, peer reviewed journals. In 2013 and 2014, Dr. Hooker worked with the CDC Whistleblower, Dr. William Thompson, to expose fraud and corruption within vaccine safety research in the CDC which led to the release of over 10,000 pages of documents.

Brian's writings can be found at <https://www.researchgate.net/profile/Brian-Hooker>. He also appears regularly on CHD: <https://childrenshealthdefense.org/>.

**Taylor Hudak, MA** is an American journalist focused on human rights, media freedom and global corruption. She researches, writes, and produces video reports and interviews for The Last American Vagabond and acTVism Munich. Taylor earned a master's degree in journalism and mass communication from Kent State University.

You can follow Taylor's work on on Twitter [https://twitter.com/\\_taylorhudak](https://twitter.com/_taylorhudak) and find her videos at <https://www.thelastamericanvagabond.com/category/taylor-hudak/>.

**Alexandra (Sasha) Latypova** is serial entrepreneur and a founder of iCardiac Technologies. iCardiac Technologies is based on technology developed by students and faculty at the University of Rochester.

The company has received in excess of \$7 million in venture capital funding and currently serves 6 of the top 10 pharmaceutical companies in addition to a broad range of clients across North America, Europe and Asia. Prior to iCardiac Technologies, Ms. Latypova worked at VirtualScopics, Inc., a technology spin out from the University of Rochester and Analysis Group, Inc., a Boston-based economics, financial and strategy consultancy.

Sasha's works can be found at <https://www.howbadismybatch.com/>.

**Meryl Nass, MD, ABIM** is an internist with special interests in vaccine-induced illnesses, chronic fatigue syndrome, Gulf War illness, fibromyalgia and toxicology. As a biological warfare epidemiologist, she investigated world's largest anthrax epizootic in Zimbabwe, and developed a model for analyzing epidemics to assess whether they are natural or man-made. She has played a major role in creation of a coalition that has fought the Anthrax Vaccine Immunization Program. Nass is active in assisting legal teams defending anthrax vaccine refusers and ill service members in the U.S. and Canada.

You can find Meryl's writings at <https://meryl1nassmd.com/>.

**Dr. Michael Palmer, MD** obtained his board certification in diagnostic medical microbiology while working with Dr. Bhakdi in Mainz. He was recently fired from his job as an Associate Professor of Biochemistry at the University of Waterloo, Ontario, Canada, for his refusal to get "vaccinated."

Michael's writings can be found at <https://mpalmer.heresy.is/>. Contributions regarding COVID specifically are published at <https://d4ce.org>.

**Prof. Christian Perronne** is an Infectiologist, Former VP of WHO European Advisory Group on Immunization. As Chairman of the Communicable Diseases commission at the French High Council for Public Health, he helped several governments for the management of epidemics.

His book "Crypto-infections" is printed by Chelsea Green Publishing:

<https://www.chelseagreen.com/product/crypto-infection/>.

**Dr. David Rasnick, PhD** is the Chief Science Officer of the Office of Medical and Scientific Justice ([www.omsj.org](http://www.omsj.org)). David has 25 years of experience with proteases and protease inhibitors and worked in the pharmaceutical industry for 20 years developing protease inhibitors for tissue destroying diseases: cancer, emphysema, arthritis, parasitic diseases. He invented DATE (Differentiation, Adaptation, Transformation, Evolution) analysis, a general theory of biological change, bridging the gulf between genotype and phenotype. He is a former President of Rethinking AIDS (the group for the scientific reappraisal of the HIV hypothesis) and former President of the International Coalition for Medical Justice.

David's works are found at <http://www.davidrasnick.com/>.

**John Titus** is an attorney. He has written, produced and directed videos about the loss of the rule of law in the U.S. since 2014. His videos focus largely on Wall Street crime, and cronyism in the Financial system. He has a juris doctor and has litigated patents for 25 years. He also holds bachelor's and master's degrees in electrical engineering and worked as an electrical engineer in the space industry. Since 2020 John has co-produced and co-hosted Money & Markets with Catherine Austin Fitts at Solari Inc.

To find out more about John's work, visit <https://home.solari.com/> or his YouTube channel <https://www.youtube.com/c/BestEvidence/videos>.

**Polly Tommey** is director of programming for CHD-TV. She is the mother of Billy Tommey, whose vaccine injury story is prominently featured in the documentary Vaxxed: From Cover-Up to Catastrophe.

Tommey is a film producer known for *Who Killed Alex Spourdalkis?* (2015), *Vaxxed: From Cover-Up to Catastrophe* (2016) and *Vaxxed II: The People's Truth*. She is a book author, founding editor-in-chief of the world's preeminent autism magazine, *The Autism File* and co-founder of the Autism Media Channel. An outspoken autism advocate and founder of the Autism Trust in the UK and U.S., Tommey has appeared in print and television media around the globe, gone head-to-head with top political leaders and never compromised her position on telling the truth about vaccine injury.

You can follow Polly's work at <https://childrenshealthdefense.org/>.

**Prof. Richard Werner, D.Phil.** is a university Professor in banking and Finance. He holds a First Class Honours in Economics from the London School of Economics and a doctorate in Economics from the University of Oxford. He is a founding chair of Local First, a community interest company establishing not-for-profit community banks in the UK and in 2008 he founded and has been director of the Centre for Banking, Finance and Sustainable Development – the first research centre to focus on the link between the Financial sector and sustainability issues. He has been professor of monetary, macro and development economics at Goethe-University Frankfurt, Professor of International Banking at the University of Southampton, and assistant professor in economics and finance at Sophia University, Tokyo. Richard has worked as Chief Economist, Senior Managing Director and Senior Consultant in private industry, including at Bear Stearns and Jardine Fleming Securities, and as visiting scholar and visiting researcher at the Japanese Ministry of Finance and the Bank of Japan. His book *Princes of the Yen* was a No. 1 bestseller in Japan.

Dr. Werner publishes his work at <https://professorwerner.org/>.

**Whitney Webb** has been a professional writer, researcher and journalist since 2016. She has written for several websites and, from 2017 to 2020, was a staff writer and senior investigative reporter for Mint Press News. She currently writes for *The Last American Vagabond* and *Unlimited Hangout*:

<https://www.thelastamericanvagabond.com/category/whitney-webb/>

<https://unlimitedhangout.com/>

**Dr. Michael Yeadon BSc** was Formerly Vice President & Chief Scientific Officer Allergy & Respiratory at Pfizer Global R&D. He holds Joint Honours in Biochemistry and Toxicology and a PhD in Pharmacology. He is an Independent Consultant and Co- founder & CEO of Ziarco Pharma Ltd.

Mike frequently posts to this Telegram channel: <https://t.me/robinmg>.
